NAS LEMOORE INSTRUCTION 5370.2E

From: Commanding Officer, Naval Air Station, Lemoore

Subj: CURFEW FOR MINORS ON BOARD NAVAL AIR STATION (NAS) LEMOORE

1. Purpose. To establish a curfew applicable to all minors residing in housing, the Navy Lodge, or in any other authorized family dwelling or encampment aboard NAS Lemoore. This is a complete revision and should be read in its entirety.

2. Cancellation. NASLEMINST 5370.2D

3. Background. This instruction is prompted by the necessity for more affirmative controls over our juvenile population. Historically, a small minority of our military juvenile family members are inadequately supervised and disciplined, resulting in undesirable activities. Consequently, it is directed that a curfew be implemented and continuously enforced to help curb delinquency aboard the Station.

4. Juvenile/Minor. All non-married family members of military or civilian personnel who are under 18 years of age.

5. Action

a. Military sponsors. Active duty military sponsors shall be held responsible for controlling the activities of all family members and guests aboard the Station. As such, they will ensure that their minor children (under 18 years of age) are within the immediate area of their residence between 2300 and 0600 hours. Grounds under the immediate care of the adult occupants shall be considered as the "immediate area".

b. Security Patrols. Security patrols shall enforce this instruction as follows:

(1) Apprehend all minors who are not under the supervision of an adult, and/or who are not in the immediate vicinity of their residence between 2300 and 0600 hours. Direct travel from the Station Theater or Youth Center to residence after conclusion of last movie or scheduled activity does not violate the intent of this instruction.

MAY 17 1999

(2) Immediately ascertain individual's identity, age, address, and reason for violating the curfew.

(3) Transport individual(s) to Security Headquarters for further action and notification of the Security Watch Supervisor.

(4) Prepare a written Incident/Complaint Report as required.

c. Security Watch Supervisor. The Security Watch Supervisor shall contact the juvenile's parent(s) and advise them of the violation and file an Incident/Complaint Report. The parent(s) shall be instructed to immediately report to Security Headquarters to assume custody of their family member(s). If at least one parent/guardian cannot be located after exhausting all available means to do so, the following guidance will apply:

(1) If the juvenile is at least 10 years of age, and a parent/guardian cannot be located, the minor shall be transported to his/her residence with instructions to remain there and have the parent/guardian contact the Security Officer the following day.

(2) If the juvenile is under the age of 10, and a parent/guardian cannot be located, the Command Duty Officer will be notified and Naval Criminal Investigative Service will be contacted for further guidance.
